NOVEL WAY

Of Helping Farmers Planned By
New York Capitalists.

Warehouses to Be Built and Money Loaned on Guaranteed Receipts.

Prominent financial interests are organizing in New York a new trust company which will operate along entirely novel lines and in a field at present worked by no other similar institution. The company will be known as the Trust Company of the Republic. Its purpose will be to loan money to farmers throughout the country on warehouse receipts as security, and when its own resources will not permit of such loans to become a headquarters for the negotiating of paper of that character.

It was stated by one of the financiers interested in the scheme that farmers and producers of raw material in many parts of the country to-day were compelled to pay as much as 20 or 25 per cent. interest on money borrowed. This forced them, especially in the matter of cotton, to rush their product to the market and to sell it at a disadvantage in order to be able to liquidate their loans.

Looking forward to the ultimate formation of the Trust Company of the Republic, about two months ago the Security Warehousing Company of New York was organized, and has already leased several warehouses in the cotton producing district. This company, which has total assets already of more than \$1,500,000, proposes to build warehouses all over the United States, and to receive raw materials and to issue receipts for them.

The warehouse company is backed by the same interests, in part, which will be represented in the trust company. Alexander Greig is president of the warehouse company. Thomas F. Goodrich is vice president, and among the directors and stockholders are Anthony N. Brady, D. Leroy Dresser, M. Taylor Pyne, J. Edward Simmons, Frederick B. Schenck, Leslie D. Ward, Glen Wright, Emerson McMillen, and S. R. Bertron.

It is planned that the receipts issued by the warehousing company shall be registered and guaranteed. The farmer holding them will then be in a position to obtain a loan from the new trust company at the prevailing rate of interest in New York, instead of at the ruinous rate he is now compelled to pay.

The capital stock of the new trust company is to be \$1,000,000, with \$500,000 as a surplus. It will have two offices, one in the heart of the Wall street district, and another in the heart of the mercantile district, between Worth and Grand streets.

GERMANS DELIGHTED

That Miss Roosevelt is to Christen the Emperor's Yacht.

According to a Berlin dispatch "the German Foreign Office is delighted with the excellent effect produced in the United States by Emperor William's request that Miss Alice Roosevelt christen his new yacht." When international diplomacy puts such store by a German gentleman's compliment to a nice little American girl a "fiery Democrat" barely knows whether to laugh or to raise one more strenuous howl against the encroachments of imperialism—Louisville Times.

Frank Treadwell, Bennett, Ia., was troubled with kidney disease for two years. He writes: "I had taken several kinds of kidney remedies but with little benefit. Finally I tried Foley's Kidney Cure and a one dollar bottle cured me." Sold by all druggists.

So Say the Students of Grant University

For An Invidious Comparison of the Daughters of the Confederacy.

The students of the medical department of Grant University asked the trustees of the university to dispense with the services of the Rev. R. J. Cooke, professor of historical theology, for his late attack on the Daughters of the Confederacy. When Dr. Cooke entered the mess hall, while the students were at supper one evening, he was loudly hissed.

The editorial in question compared the Daughters of the Confederacy to Emma Goldman.

Chapped hands, cracked lips and roughness of the skin cured quickly by Banner Salve, the most healing ointment in the world.

IF BANNER SALVE doesn't cure your piles, your money will be returned. It is the most healing medicine. All druggists.

DISFRANCHISEMENT

Will Not Affect Representation in The South.

A Washington special says the indications are that after all the Republicans of the House may not caucus upon the subject of a proposed bill designed to reduce Southern representation in Congress, which has been threatened on account of the disfranchisement of the negroes. Representative Crumpacker, an Indiana Republican, who recently submitted a petition to Republican members calling for a caucus to outline plans affecting this proposition, is said to have become lukewarm in his purpose to secure a caucus and the project may now be abandoned entirely.

Mr. Crumpacker has learned evidently that there is little prospect of legislation of the kind he proposes during the Congress, and is consequently discouraged.

For Pneumonia.

Dr. C. J. Bishop, Agnew, Mich., says: "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." Beware of substitutes Sold by all druggists.

AN EX-GOVERNOR

Sentenced to Prison for Stealing An Overcoat.

Admitting that his picture was in the rogue's gallery and that for a period of years he had been familiar with the lowest depths of New York opium joints, yet pleading for mercy from the court, Franklin J. Moses, once governor of South Carolina, was sentenced in Boston last week to four months' imprisonment for the larceny of an overcoat. Moses was "carpet-bag governor" shortly after the war.

You should know that Foley's Honey and Tar is absolutely the best for all diseases of the throat and lungs. Dealers are authorized to guarantee it to give satisfaction. Sold by all druggists.

"JACK THE RIPPER"

Probably Looked Upward From the End of a Rope.

FROM THE LONDON CHRONICLE.
A Bolton correspondent telegraphs: James Billington, the hangman, whose death took place a few days ago, declared that he never hanged anybody with greater satisfaction than he did Dr. Neill Cream, whom he believed to his dying day to have been "Jack the Ripper." Dr. Cream did all he could to delay the execution, and Billington, becoming impatient, suddenly pulled the fatal bolt. As he did so he distinctly heard Cream say, "I am Jack—" and believed that in another second he would have confessed he was "Jack the Ripper." Certainly, as Billington put it, we never heard of the "Ripper" afterward.
